

A Gift of **HOPE**

— A gift donation has been made in your name to HOPE Shelters. —

HOPE was founded in 1991 as a community response to a homeless person freezing to death in downtown Pontiac, Michigan. Since that time, the center has provided seasonal emergency shelter for individuals struggling with homelessness.

HOPE provides a voice for the homeless by advocating for affordable housing, prohibiting source of income discrimination, homeless veterans, and accessible medical and mental healthcare.

This donation, in honor of you, will help us help the most vulnerable return to a place of hope.
